As a part of the ongoing Ashadhi Wari pilgrimage, a special Physiotherapy Camp was organized on 5th July 2025 at Teen Rasta, Pandharpur to support and provide relief to the Warkaris undertaking the long and strenuous journey on foot. This initiative was conducted by Mukhyamantri Vaidyakiya Sahayata Nidhi and the Collector Office, Solapur in collaboration with Shree Siddheshwar College of Physiotherapy, Solapur.

The camp ran from 9:00 AM to 5:00 PM and witnessed an overwhelming response from the Warkari community. A team of experienced physiotherapists, and students provided services such as: Pain management therapy (for back, knee, shoulder, and foot pain), stretching and strengthening exercises, advice on posture and gait correction, first aid for muscle cramps and minor injuries, distribution of informative pamphlets on self-care and home exercises during the Wari.

Over 300 Warkaris benefited from the camp. Many expressed relief

and satisfaction after receiving physiotherapy sessions that helped alleviate physical discomfort caused by the long-distance walk.

The success of the camp was made possible through strong coordination between the organizing institutions, timely support from local authorities, and the dedication of the healthcare professionals involved.

This initiative stood as a symbol of service and commitment toward public health and well-being during one of Maharashtra's most significant spiritual pilgrimages.
