Report on "World Physiotherapy Week" celebration

Organized by: Extension committee (Shree Siddheshwar College of Physiotherapy, Solapur)

Date: From 4th September to 10th September 2025

Venue: Shree Siddheshwar College of Physiotherapy.

Shree Siddheshwar Physiotherapy College celebrated Physiotherapy Week with great enthusiasm and active participation from students and staff. The week-long program included a variety of creative, academic, and awareness activities to highlight the importance of physiotherapy in promoting health and well-being.

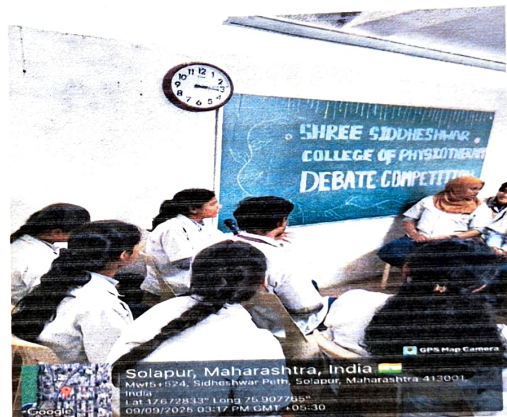

The celebration began with a Rangoli Competition, where students showcased their artistic talents by creating beautiful designs based on physiotherapy themes. This was followed by a Poster Making Competition, which encouraged students to express awareness messages and the role of physiotherapy through creative visuals.

An exciting Quiz Competition was organized to test the knowledge of participants on physiotherapy concepts, health awareness, and general knowledge. The event saw healthy competition and encouraged learning beyond classrooms.

As part of community awareness, students actively participated in a Rally and Flashmob, spreading messages about physiotherapy's role in preventive and rehabilitative health care. This gained attention from the public and helped create awareness in an engaging way.

A Debate Competition was also conducted, where students expressed their views on contemporary health and physiotherapy-related topics. This enhanced their critical thinking, communication skills, and confidence.

The week concluded with appreciation for all the participants and winners. The celebrations not only highlighted the significance of physiotherapy but also provided a platform for students to display their creativity, knowledge, and awareness skills.
