Report on Women's Health Camp at Bellati Village

Organized by: Shree Siddheshwar College of Physiotherapy, Solapur

In association with: Mangal Pratap Stree Arogya Center

Date & Time: 23rd April 2026, 1:00 PM

Venue: Bellati Village, Solapur District

Introduction: A physiotherapy assessment and treatment camp was successfully conducted at Bellati Village on 23rd April 2026 at 1:00 PM onwards. This initiative was organized by Shree Siddheshwar College of Physiotherapy, Solapur, in collaboration with Mangal Pratap Stree Arogya Center. The primary aim of the camp was to promote awareness regarding health issues and provide essential physiotherapy consultations and preventive care.

Objectives of the Camp: To provide health education related to musculoskeletal problems.

To offer free physiotherapy consultation and guidance.

To encourage early detection and management of health conditions.

To spread awareness about hygiene, nutrition, and lifestyle diseases.

Activities Conducted: Health screening and general physical assessment. Demonstration of physiotherapy exercises for common musculoskeletal complaints like back pain, joint pain, and pelvic floor issues. One-on-one consultations with physiotherapists and health counselors

Outcome: The camp witnessed active participation from 10 patients of Bellati village. The attendees showed keen interest in the awareness sessions and engaged in interactive discussions. Many women benefited from personalized physiotherapy advice and reported satisfaction with the guidance provided.

Conclusion: The camp was a commendable effort towards rural health empowerment. The event highlighted the importance of collaborative initiatives between academic institutions and health organizations. Shree Siddheshwar College of Physiotherapy, along with Mangal Pratap Stree Arogya Center, plans to organize more such camps in the future to reach underserved communities.
