

Report guest lecture on Surgical Insights at Shree Siddheshwar College of Physiotherapy, Solapur

Date of the

Event: 12/06/2025

Venue: Basement hall, Shree Siddheshwar College of Physiotherapy, Solapur

Organized by: Shree Siddheshwar College of Physiotherapy, Solapur in association with Solapur Surgical Society

As part of the surgery week celebration, Shree Siddheshwar College of Physiotherapy, Solapur in collaboration with Solapur Surgery Society, organized an enlightening guest lecture on "Surgical Insights" on 12th June 2025. The event aimed to bridge the gap between physiotherapy and surgical disciplines by enhancing the knowledge base of budding physiotherapists in surgical procedures and post-operative care.

The session began with a warm welcome by Dr. Sureshkumar, Principal of the college, who highlighted the significance of interdisciplinary understanding in patient rehabilitation. The guest speaker for the day was Dr. Sanjay Gaikwad (Cardiothoracic surgeon), Dr. Sachin Jamma (General, laparoscopic and laser surgeon) and Dr. Shantanu Gunjotikar (Neurosurgeon) a renowned surgeon of Solapur and a respected member of the Solapur Surgical Society.

They delivered an engaging and informative lecture on various aspects of surgery including:

- Basic surgical procedures and their indications
- Pre-operative and post-operative physiotherapy roles
- Importance of early mobilization and rehabilitation
- Case studies demonstrating the impact of physiotherapy in surgical recovery

The session was interactive, with students and faculty actively participating in the Q&A segment. Dr. Sachin Jamma also shared practical experiences, recent advancements in surgical techniques, and emphasized the collaborative role of physiotherapists in achieving optimal patient outcomes.

The event concluded with a vote of thanks delivered by our student representative expressing gratitude to the speaker, organizing members, and students for their enthusiastic participation.

Overall, the lecture was highly appreciated and proved to be a valuable learning experience for all attendees, reinforcing the importance of synergy between surgery and physiotherapy in modern healthcare.
