The Fresher's Day Celebration for the academic year 2025–2026 was held with great enthusiasm on 14th September 2025 at our Engineering Women's College auditorium. The event was organized by the 2<sup>nd</sup> years to welcome the newly admitted first-year students and make them feel a part of the college family.

The program began with the lighting of the lamp by the Principal, Dr Sureshkumar T, faculty members. The Principal addressed the gathering and encouraged the freshers to excel in academics and co-curricular activities. The highlight of the day was a variety of cultural performances including group and solo dances, skits, and songs presented by first year students. Fun games and interactive activities were also conducted for freshers, which helped everyone bond and enjoy the occasion. The Miss and Mr freshers were selected via overall performance by the principal sir.

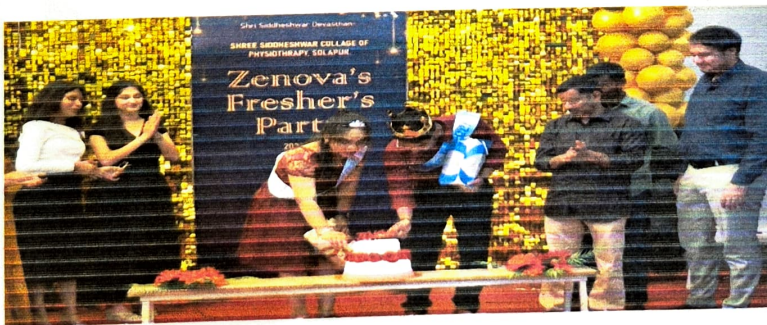

The event concluded with refreshments served to all the students and staff, making it a delightful end to the celebration.
